## PREFACE

Dear CFMers,

I was happy to receive from the National President Couple, Ninfa and Remedios Silva, a new set of Enquiry Papers for the Christian Family Movement in India. It is entitled: The Family, Hope of Humanity.

There are 12 Enquiry Papers. The Titles seem interesting!

I do hope they will provide the various cells of CFMers in India, the basis for fruitful Observation (See), Evaluation (Judge) and Action for growth in the Family(Act) during the coming year 2021 - 2022.

I request the various Cells to take note of the following suggestion. From my experience as Spiritual Advisor for the CFM going back to 1967, as a newly ordained priest, I noticed that sometimes, questions are raised that could be matter for another Enquiry. Please do take note of such points and send it to me and the National President. We could use those points that come from the “grassroots” to prepare further enquiry papers.

Thanks in advance to the Editorial Board!

Shalom!
